

PRESS RELEASE

Resignation of a board member

07 July 2011 – 18.00 CET – Regulated information

Antwerp – Thenergo (Euronext Brussels: THEB), a leading developer and operator of decentralized clean energy projects, announces that Marc Rosiers decided to renounce his function as member of the Board of Directors of the Company. The board of directors thanks Marc Rosiers for his constructive cooperation on the strategy of Thenergo. The board of directors decided to not provide a replacement.

About Thenergo

Based in Belgium, Thenergo is a fully integrated and independent developer and operator of sustainable energy projects using natural gas and biogas. Thenergo creates significant added value as a 'one-stop provider' of sustainable energy solutions, transforming renewable fuels into electricity and heat.
